

UnQondo - Utility Hose Ramp

Data Sheet – Hose Ramp

UnQondo Hose Ramp

The Unqondo Hose Ramp is used in Fire Scenarios where Vehicle movement is encountered.

The unit is manufactured from full Rubber compound.

Interlocking is possible where more than one ramp is necessary for larger wheel area.

Rubber Hose ramps are of the Double Channel type which facilitates the use of 38 mm, 64 mm and 100 mm Fire hose.

Colour – Black

Mass – 15 Kg each

Hosed ramps are generally used in pairs
